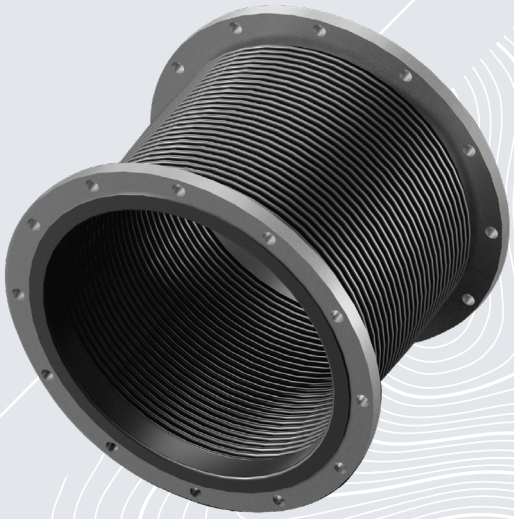
Equipment/Direct-Fit Replacement Solutions



Better Design. Stronger Build. Faster Delivery.

Mammoth's direct-fit solutions combine OEM compatibility with engineering intelligence — delivering better performance, faster fulfillment, and long-term savings for your fleet.

We design and manufacture an extensive range of exhaust systems and components, all guaranteed to fit and build to last. We supply most OEM exhaust systems from manufacturer's such as Caterpillar, Hitachi, Komatsu, Liebherr, Volvo and more.

All of our standard replacement OEM exhaust systems are manufactured to fit your machine's existing brackets and footprints, using like for like materials which means easy removal and replacement.

Protect people & the environment
